

'Sincere' is the most common word that I have heard about our wedding ceremony.

'sincere' in the way it was delivered, 'sincere' in the way it was expressed. 'sincere' also explains Peter's approach to the whole event.

In a no-nonsense way, Peter helped us to carve out the foundations of our ceremony and to discover in each other what we wanted to celebrate on our day.

We are so happy that we were chose Peter to be our celebrant. He is genuine and spiritual and really helped to guide us on our wedding day.
